Date	**: 11st August 2022**
Subject	**: The Core Wi-Fi Password**

Dear Core residents,

Please be informed that the Wi-Fi password will be changed every 8th of the month. We suggest you make your payment early by the 7th of the month, or else you will be automatically disconnected from the connection; early payment will be provided with the new password to be used once the Wi-Fi has been changed on the 8th of the month.

Important note: Early payment is highly encouraged as it can take up to 3 days for us to verify your payment (especially online) and forward it to our IT for their next action: to contact the tenant individually via email to grant the access.

Appreciate your kind understanding and cooperation. Should you have any questions, please do not hesitate to ask us.
