Subject : Tenant Car Pass

Dear Residents,

Please be informed that we will implement a car pass for the residents to be affixed to their transportation. This is for security purposes: so that the security can identify and confirm the vehicle belongs to the in-house guest while doing their rounding. Any suspicious activity will be reported to the Management for further investigation and action.

The new check-ins who have paid the registration fee are not required to pay for the car pass as it is already included and given during check-in. For the previous in-house guest or request for an extra car pass, kindly proceed to the front office during opening hours, and you are required to pay BND10.00 for the first time new car pass issuance.

Your understanding and cooperation on this matter are highly appreciated. Should there be any doubts, please do not hesitate to contact us at +673 872 5688
